

Kent Senior Team Report on Matches played 13 December 2008

The first set of matches at Crippenham for Kent 1, kicked off at Crippenham on 13th December. The team comprised of Alistair McTavish, Lewis Gray, Mark Buckley, Kirsty Wilson and Jasmin Ould. The first team that they played were Berkshire 2, and Kent began the day with a brilliant 9-1 win. All players put in a brilliant effort and then went on to play Wiltshire. Again, Kent proved to be the much stronger team and once again came away with a 9-1 victory. The next side that they were up against were Sussex 3 and not wanting to change the pattern of events, again emerged with another 9-1 triumph! Kent was on a roll. Could they carry this into their most difficult match against Sussex 2? Unfortunately it was not to be. Both girls were unable to win either of their matches against the up and coming Yolanda King and the experienced Sara Coggins. Lewis Gray had a hard five setter which he lost in 5 and the only player to win any matches was Alistair. We lost 8-2 overall.
