Promoting Junior Table Tennis in Kent

We are looking to promote more participation in junior table tennis in Kent and are considering bringing back the Junior Kent League concept which ran successfully some years ago. We intend to discuss this at the KCTTA Annual General Meeting on 11 July.

The features of the competition would be as follows

- Open to all junior players in Kent
- Organised in divisions to ensure that players of all standards get competitive matches
- Teams of two players with matches involving four singles and one doubles and say three matches on each day
- Regional central venues around the county to reduce travelling
- The opportunity for the regional winners of all divisions to compete against each other to determine overall winners
- A small team entry fee to cover the costs of the venues

Ten years ago we had four regional venues with lots of divisions and we would hope to recreate a similar level of interest. To do this we need the support of all the leagues in Kent and local organisers. We would hope to achieve sponsorship and the level of support would be an important consideration for potential sponsors.

Please come to the AGM and let us have your views on this proposal or alternatively email your thoughts to treasurer@kctta.net.
