Hon Treasurer's Report to 2007 AGM

The accounts for 2006/7 show that in the general fund, income has exceeded expenditure by £82. As envisaged in last years report there has been a major expenditure on new county shirts which cost £1,308. The shirts are of good quality and should be useful for hopefully at least 5 years.

Expenses have continued to be closely controlled and I believe it is important that the committee continue to focus on this area in years to come to ensure that costs to the local leagues are kept to a minimum.

One of KCTTA objectives is "to assist and encourage the formation of Table Tennis Leagues and clubs in the County of Kent and to promote the game in every possible way". KCTTA now has a stable financial position and is in a position to invest in the future. The committee will be considering how best to achieve this and would welcome ideas and suggestions at the Annual General Meeting.

Affiliation fees paid by leagues are KCTTA's main source of income. For 2006/7 the fees were £2.75 per senior team place and £0.85 per junior team place. In view of the good results for the last 3 years I propose no increase for 2007/8.

At the time of writing this report the accounts had not been audited but I hope that Roger Pingram will be able to complete the audit before the AGM. I also hope that Roger will be prepared to continue to act as auditor next season.
