Hon Treasurer's Report to 2008 AGM

The accounts for 2007/8 show that in the general fund, income has exceeded expenditure by £1,751.

Expenses have continued to be closely controlled and I believe it is important that the committee continue to focus on this area in years to come to ensure that costs to the local leagues are kept to a minimum.

As I pointed out in my report last year one of KCTTA objectives is "to assist and encourage the formation of Table Tennis Leagues and clubs in the County of Kent and to promote the game in every possible way". KCTTA now has a stable financial position and particularly in view of the large surplus generated this season is now very much in a position to invest in the future.

The question I have raised with the committee is how best to achieve this and we would welcome views from Leagues at the AGM.

Affiliation fees paid by leagues are KCTTA's main source of income. For 2007/8 the fees were £2.75 per senior team place and £0.85 per junior team place. In view of the good results for the last 4 years I propose no increase for 2008/9.

At the time of writing this report the accounts had not been audited but I hope that Roger Pingram will be able to complete the audit before the AGM. I also hope that Roger will be prepared to continue to act as auditor next season.
