## 1<sup>ST</sup> JERSEY OPEN 6<sup>TH</sup> -9<sup>TH</sup> APRIL 2007.

### A Satellite Grand Prix Tournament.

(Approved by the E.T.T.A. and J.T.T.A.)

Calling all players and those who want to combine a holiday with a superb tournament in the beautiful Channel Island of Jersey!!

President Chris Band and all the members of the Jersey Table Tennis would like to welcome you to this prestigious inaugural event. We hope to see many senior and junior players from all over the U.K. They will all be given an extremely warm welcome and given some of our legendary wonderful hospitality. Entry forms are available on the E.T.T.A. website or can be obtained from Sportsbreak, 4, The Pavilions, Davenham, Northwich, Cheshire, CW9 8LB.

President of the J.T.T.A. Chris Band said, "We are receiving an enormous amount of interest in the event and many people are building a holiday with family around it. I would advise those wishing to attend to *book as soon as they can* so as to avoid disappointment. We are expecting some top senior and junior players to be present as well as perhaps a few famous guest appearances! Our Island Tourism Department is also hosting a Vin d'Honneur reception for all our visitors just before the Open so as to start things off with a bang. There will be a big media presence as well with radio, newspaper and T.V. all represented. In short, it is going to be a marvellous and immensely enjoyable tournament. We have a superb purpose built table tennis hall with all amenities so both players and spectators will have a fantastic time. If people wish to know more about our idyllic Island venue they can look at the Jersey Tourism website [www.jersey.com](http://www.jersey.com)

***We look forward to meeting you all in April!!"***
